Janet Malser Humanities Trust

2025 Grant Program

Janet Malser was a lifelong resident of Dudley and Webster, Massachusetts. She established this Trust so that the causes she was involved with would continue to be supported when she was no longer with us. Her love of art, history, nature, and music inspired her to champion causes related to the arts and humanities, community service, and conservation. Through this Trust, Janet's generosity of "self" will continue to be realized for years to come. This is her legacy.

The Janet Malser Humanities Trust was established in 2009 as a 501(c)(3) charitable foundation. Its purpose is to fund educational, cultural, historic, and charitable causes in the towns of Dudley, Oxford, or Webster, Massachusetts.
